TOWN EXTENSION - MANDYA.

Sir,

I have the honour to forward herewith the resolution of the Mandya Municipal Council passed on 20th November 1926 on the above subject, together with the proclamation both in Kannada and English regarding the lands etc., to be acquired for the purpose and the subsequent boundaries of the Municipality after the proposed extension.

As several offices in connection with the Irwin Canal Project ~~recently~~ have been recently located there, the present town cannot accommodate the several officers and officials and as such, the proposed extension is absolutely necessary

I therefore request you to be so good as to accord sanction of Government for the proposed extension and cause the enclosed notification (Flag "A") to be published in the Mysore Gazette.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
